## Being an Eyewitness to Christ

In every American courtroom, from traffic court to Supreme Court, the role of a witness is of primary importance. The witness gives testimony to the truth. The strength of our witness about the living presence of Jesus in our lives is of primary importance to the effectiveness of evangelization. Inspired by the Holy Spirit, John the Baptist testified that Jesus is the Lamb of God, who takes away the sins of the world (John 1:29-34). To be an effective evangelizer like the Baptist, we must be able to give our eyewitness testimony about Jesus. Did I hear Jesus talking to me in the music, prayers, readings, and preaching? Did I see Jesus in the Breaking of the Bread and in my fellow parishioners? Do I truly believe that Jesus is the Lamb of God, living within me, who gave up his life so that I could have eternal life? Do I welcome his Holy Spirit into my life and willingly testify about what he means to me before my family, friends, and co-workers?
