Memories—Memorial Day—Cemeteries :

May is the month we often remember those who have died from our families. After Memorial Day we will be cleaning up our cemeteries according to the rules that went into effect Nov. 1, 2015. We will remove any items in violation of these rules (example: shepherd hooks, solar lights, votive lights, benches, etc) families need to check for loose floral arrangements, (limit 2) and to remove flowers if needed. Due to the winds on the hill memorial flowers often blow away and the mower has no idea which gravesite they came from.
