Please Register Your Membership:

Each Catholic person or Catholic households are required to register as parishioners in the geographical parish where you live.

Simply stated, "a priest cannot provide pastoral and spiritual care to you, if the priest **does not know you exist.**" Each year, the parish is required to complete a report to our bishop in the "**Status Animarum**" (Annual Report) listing the number of baptisms, marriages and deaths of parishioners. Included in this report is also the number of Catholics within the parish boundaries.

Current parishioners are also asked to inform the Parish office of any changes in the family (i.e., change of address, moving out the parish, additions o the family, divorce, etc.) Thank You for your cooperation in these matters. - - **Forms in the back of Church.**
