### St. Vincent de Paul Society

Our local St. Vincent de Paul Society needs your help! Now that summer temperatures have arrived. This Catholic laypeople's organization wants to know if **YOU** are in need of fans or an air-conditioner. Or perhaps if you know someone in our Parish or your family or a friend that could use the StVdP Society's help. These requests are kept confidential. **PLEASE** contact our St. James Rectory office (438-4686). The parish will pass on word of these needs to the St. Vincent de Paul Society. This offer is restricted to the areas and towns of Washington County which are in the boundaries of our St. James Parish.

### Parish Membership:

We welcome new members to our parish family and ask that you formally join us. A registration form is available at the back of church. **Current parishioners are asked to inform the Parish office** of any changes in the family (i.e., change of address, moving out the parish, additions o the family, etc.) If you are 21 years of age and are employed, you need to register as your own household, even if you are still living with your parents. Thank You!

## Sacrament of Holy Matrimony-

**All** Roman Catholics are required by Church law to be married in a Catholic Church building.

This is because the Catholic Church understands marriage as a Sacrament, not a fantasy or a trial run with limited fidelity.

To fulfill this expectation a Catholic must:

1. be a registered & practicing member of a local parish
2. have received the Sacrament of Confirmation
3. be of legal age by Church and state law.

Couples desiring to enter into the vocation of Christian married life must contact the pastor *at least* 6 months before the possible date of the wedding. A Church wedding date may not be set until the couple has met with the priest conducting the ceremony. Ordinarily, marriages are not celebrated during the Season of Lent.

If either of the parties intending to marry has been a part of a previous marital union, no date can be set for a future wedding until the previous bond has been resolved through a process conducted by the Matrimonial Tribunal. This process is often times referred to as the "annulment process". Please let the pastor know in the very first meeting if any previous marital bonds exist.
