## LIFE TOUCH — PICTORIAL DIRECTORY

We are in the process of doing a Pictorial Directory for St. James Church. All you need to do is make an appointment for your picture. No purchases are necessary, but you will receive a free 8X10 photo plus a directory. Sign-ups are scheduled this weekend after the 4:30 PM Mass and the 8:00 AM Mass on Sunday. Ann Pingel will have a booth at the Festival to also schedule your appointment. You may also call the Rectory (438-4686) or drop by and make an appointment. Please help us to make this a fantastic directory. Fr. Joe is **BEGGING** every household, (family, single, whatever), to make plans to have your photos taken for our St. James Parish Photo Directory. These photos will be taken in the second week of October.

**Hospitality** "how we welcome" and how we make our guests and visitors feel welcome is a hallmark of every Catholic parish. As we welcome so many visitors and guests today to our St. James Catholic Church and to our parish grounds, let us receive them as we would receive Christ himself, for He is the face of every guest we receive. A special welcome to the natives of St. James Parish who are able to be with us and celebrate our Fall Festival today.

## FESTIVAL MEETING

A post-fall festival **evaluation meeting** will be held at the parish hall at 7 pm, on Tuesday September 29th evening. While the experience is still fresh in our minds let us see "what we have done" and how something might be improved, better organized, or discontinued. Sometimes "ways and means" outlive their usefulness or purpose. Various chairpersons and interested parishioners, please try to attend.

## St. James Parish congratulates:

"Enhancement, Inc." the sheltered workshop organization which held its open house here in Potosi, on Friday September 25th. Our parishioner Mrs. Sharon (Charlie) Coleman, is the workshop manager. Sharon served as mistress of ceremonies at the dedication. Fr. Joe, pastor, was invited to bless the building in the program, before the dignitaries and special guests from the area and southeastern Missouri. Several of our parishioners who are developmentally disabled are clients or workers at the "Enhancement, Inc.". The works are now housed in the former "Town and Country" supermarket building in central Potosi. Precious in the eyes of the Lord, are His special ones as they work to reach their potential. As Catholics, all our works and labors are done, to be pleasing to God, who watches over our times of work and our times of relaxation.

**HAPPY BIRTHDAY  
FATHER JOE**
